Dear Clients, Colleagues, and Friends,

Happy holidays! In addition to wishing you well, we have a few business items to share before 2018 draws to a close.

To begin, you have one final opportunity to take advantage of our 2018 long term care planning CFP®-Approved CE webinars. If you haven't done so yet or could use a refresher, it's not too late. Take one class or both; each session takes slightly under an hour and you will earn one CE credit for each webinar. Our upcoming sessions include:

LTC Combo Plans: An in-Depth Look at Asset-Based LTCL Policies

In this webinar, you'll gain a greater understanding of increasingly-popular hybrid/combo plans.

WHEN: Tuesday, December 11, 11am CT

LTC Planning: How to Choose the Best Funding Option for Clients

In this webinar, you'll learn which type of plan- traditional LTCL or hybrid/combo- works best for clients in certain situations.

WHEN: Thursday, December 13, 11am CT

Please note that advance reservations are required. Call us at 800.533.6242 or [email Jolene](mailto:jolene@magaltc.com) to reserve your spot.

Before you know it, we'll be announcing our CE webinars for 2019. In the meantime, we wish you enjoy a joyful holiday and a happy new year.

Sincerely,

P.S. If one of your 2018 goals included putting LTCI coverage in place-for yourself, a loved one, or a client-it's not too late to start the process. Simply complete our [online quote request form](#) or contact us, and we'll get the ball rolling for you.

Keeping in Touch with Insured Clients

Each fall, we touch base with all our insured clients via the MAGA Messenger, our annual print newsletter.

If your clients have obtained long term care insurance through us, they will have received this in the mail around Thanksgiving. The newsletter is packed with tips for getting the most value from an LTCI policy, as well as a reminder that we are here for our clients, especially at claim time. We hope you'll find it good reading, too - [take a look](#).

2019 LTCI Tax & Medicare Summaries Now Available

As you know, LTCI offers individuals and businesses certain tax benefits, which change from year to year. If you'd like to keep this information close at hand, request a copy of our 2019 LTCI Tax Summary.

In addition, if you have clients who are Medicare recipients, you might benefit from our 2019 Medicare Information Summary, which recaps essential Medicare benefits, maximums and provisions for the upcoming year.

A number of advisors have already asked us for copies of our annual at-a-glance guides, which they refer to throughout the year. If you'd like to have one or both summaries, call or email us and we'd be happy to email you yours.

Holiday Closings

We think everyone should enjoy some downtime with family and friends during the-holidays - and we hope that includes you. Please note that our office will be closed:

Dec. 24 at 12:00 noon, 25 & 26

Dec. 31 at noon, Jan 1 & 2

Happy holidays from the MAGA family to yours!
